This document confirms that an independent third-party assessment of the named facility was performed using a process driven approach which incorporates a weighted and scored data collection instrument to provide objective results on the facility's level of adherence to program standards. This document should not be relied upon as a demonstration of compliance beyond the expiry date. Periodic re-evaluations of the facility's ongoing processes should be conducted based on risk to ensure sustaining adherence to program standards. The Achievement Award does not certify, confirm or imply and/or exempt the clients from all their legal obligations in compliance with any government, industry regulations or standards. It is the quality of any specific products and services produced or delivered by the facility. The Facility or Supplier remains solely liable for legal compliance to any laws, regulations and non compliance relating to systems, processes or product defects.
